RN OWNED & MANAGED SINCE 1998

RN OWNED & MANAGED

"Having worked with thousands of men, women and couples during my extensive nursing career, it's my dream that everyone has the opportunity to live safely and comfortably in a dignified manner in their own homes for as long as possible."

Best of Health,
Linda L. Esrick RN, BSN
Founder/Owner/Director

A Skilled Approach to In Home Care

"Erica is like family to me. I don't know what I would do without her."
-Lucyele, age 84

"My husband is able to live at home because of the help we receive from our wonderful Affordable Home Care Professionals."
- Joan & Buzzy

"I can still enjoy a day at home with my grandson Adam, thanks to the help I receive from Affordable Home Care."
- Bill, age 87

If you hire a home care company in Arizona, please make sure they are members of all three organization below:

SAFETY FIRST

Your home is your haven; a place of relaxation, comfort and safety. When you open your door to a home care provider, you have the right to expect someone who is professional, skilled, experienced, respectful and trustworthy. Will these expectations be met?

Employees vs. Independent Contractors

AHCS Home Care Professionals are bonded and insured employees who have worked extensively in hospitals, skilled nursing facilities and home care before joining our team. If you hire **Independent Contractors and Private Caregivers**, you **become their EMPLOYER** and legally assume many responsibilities, including withholding all federal and state taxes, providing insurance in case they are injured in your home, making sure they are legal U.S. citizens and much more.

Comprehensive Screening and Documentation

At **AHCS**, we perform the most rigorous pre-and post- employment screening in the industry, including:

- ♥ A comprehensive national background check by a licensed private investigation firm.
- ♥ A DMV check to ensure the candidate has a valid Arizona driver's license, clean driving record and current personal vehicle insurance coverage.
- ♥ A valid Arizona fingerprint clearance card (verified every six months) and documentation confirming negative TB results.
- ♥ A credentials check to confirm candidates are licensed, certified and experienced home care professionals with current CPR and First Aid training.

We repeat these security checks regularly.

An Established Company with a Proven Track Record

Since 1998 AHCS has earned recognition for our commitment to the highest standards of business ethics and professional service. Our **state of the art web based** automated staff monitoring system requires employees to clock in and out from our clients' homes. We are also leading advocates for the establishment of home care licensing and regulatory standards.
